Varsity Team Roars Into New Season

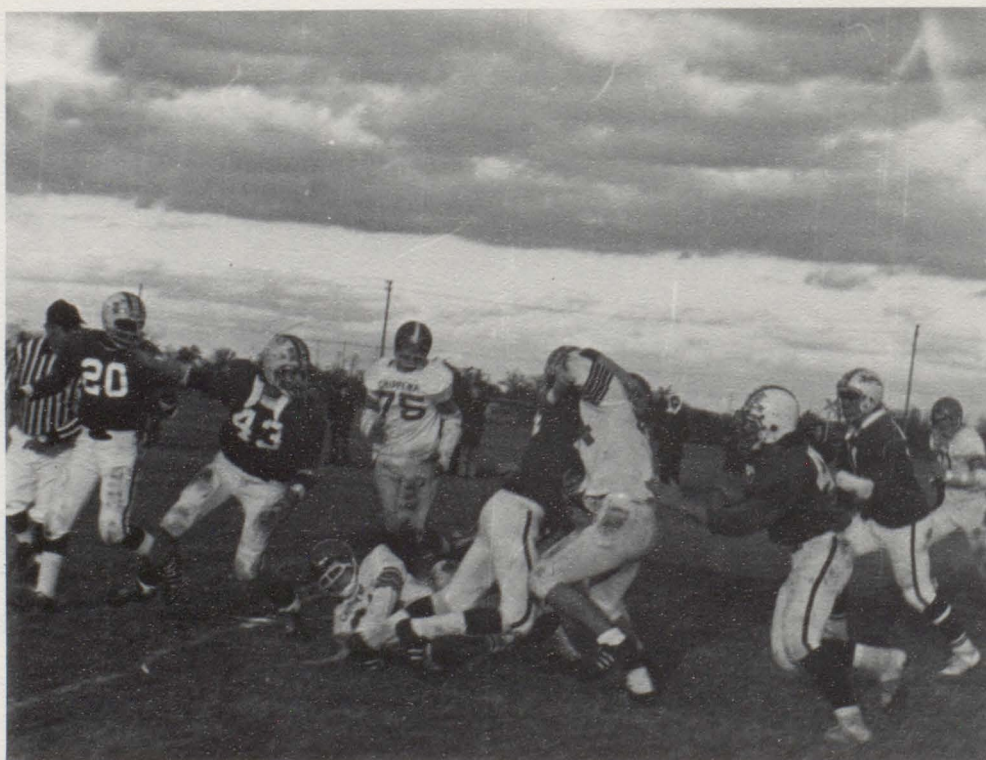

1973 proved to be a year of Cougar frustration, even though the seniors offered leadership and courage with the juniors showing desire and enthusiasm. The Cougars lair was entered by the hunters seven times while the Cougars could only defeat their prey twice, resulting in a two and seven season. As the season progressed the offense continued to make progress and the defense remained the strength of the Cougars, but the desertion of Lady Luck provided a constant barrier. Through all this the Cougars exemplified strong team unity and sportmanship.

J.V. Are Champs At P.H. Central

The JV Football team had a record of 7-1. They really did a great job out there on the field. The JV is a team that we should be very proud of and we know they will do as well next year as Varsity.

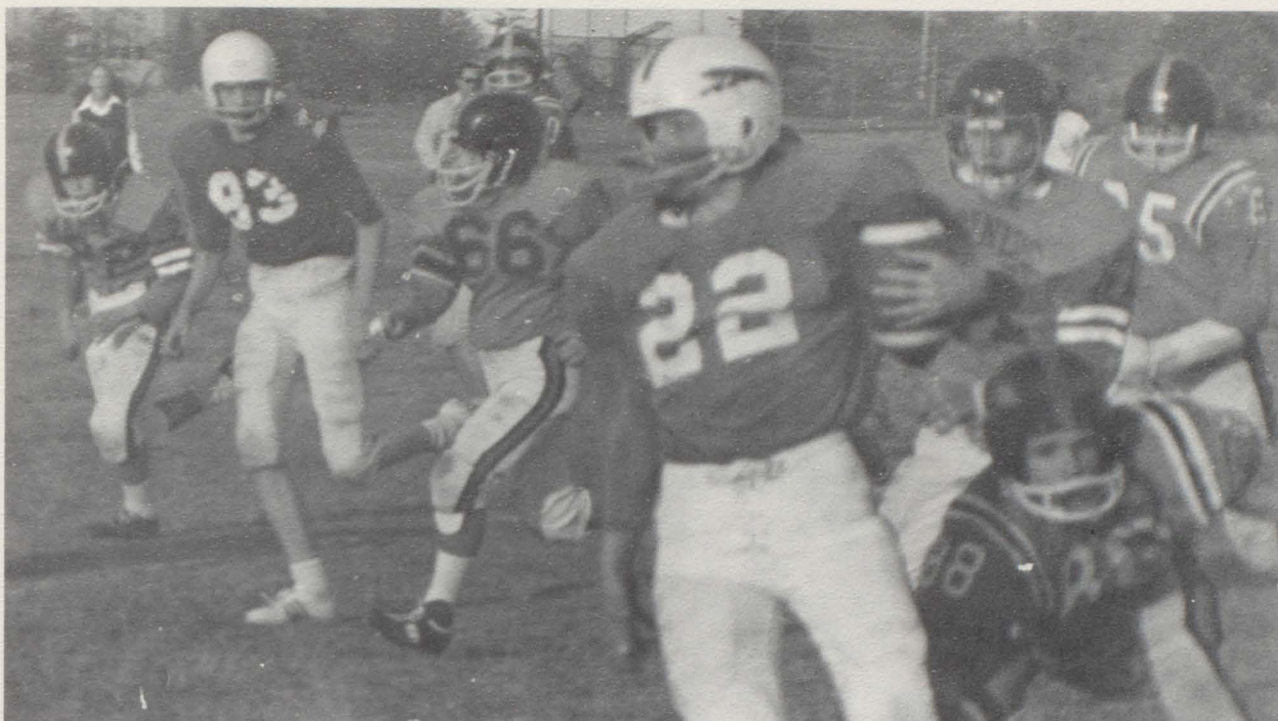

BOTTOM ROW: M. Fernandez, M. Reyna, G. Wessel, K. Munce, G. Torello, K. Rilley, P. Valentine, E. Radske. SECOND ROW: Ass't Coach Clausman, B. Johnson, J. Ploeger, D. Richards, J. Hutchinson, K. Freshmen Improve As Time Goes On

The freshman football team had a very frustrating year full of mistakes. Their record of 0-6 does not really indicate the progress these people made. Look for them to win as J. V.'s.

FRONT ROW: M. Peart, J. Evanchuck, H. Albers, K. Vernor, M. Finn, D. Moses, G. Goyette, B. Sutherland.
2nd ROW: Coach Repp, M. McDougal, R. Ulrich, T. Hale, P. Emlaw, C. Hopp, J. Fredendall, D. Berra, Coach

The girls basketball team put up a real struggle this year. The competition was rough but even in the fight they lost several of their games. This was their first year and under the leadership of Mrs. Hyde, they plan to come out victors next year.

L TO R: Coach Coleman, C. Schultz, R. Fernandez, E. Parker, M. McDougal, J. Glombowski.

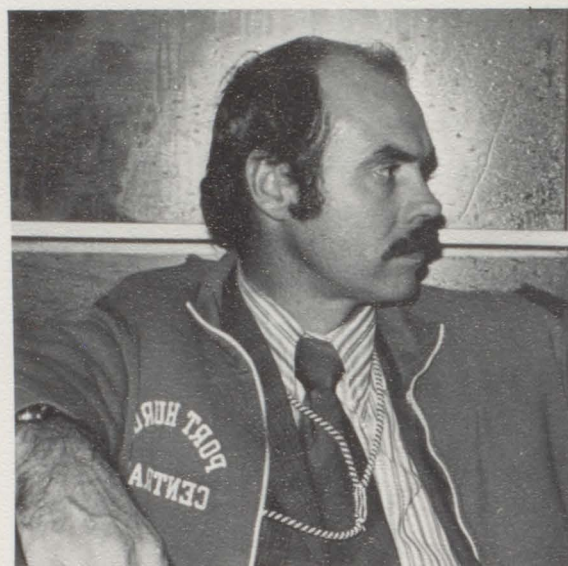

Golf Team Putts Through Season

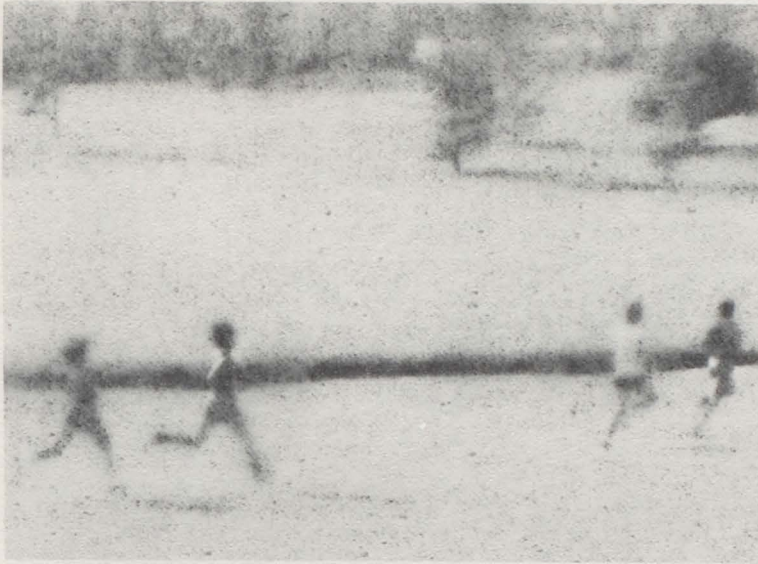

Our golf team did very well this year. The linksmen had a record of 5 and 2 during the fall of '73. An over-all match record of 6 and 3 was an example of the fine competition seen at Black River Country Club. The team stepped up this year by placing second in the St. Clair Area League and placing ninth in the State Regionals. Varsity-letter winners were: Randy Fernandez, Eric Parker, Bob Peterson, Mike McDougal and Carl Schultz. Joe Glombowski was letterman in the 9th grade. Team match average was 162.0 and the average per man was 40.5.

Cougars Make a Run for It

BOTTOM LEFT: Glen Hillaker slows to a finish after a fine performance. BOTTOM RIGHT: Sam Allen pours it on to the finish. FAR RIGHT: A quartet of runners display the loneliness of a three-mile run.

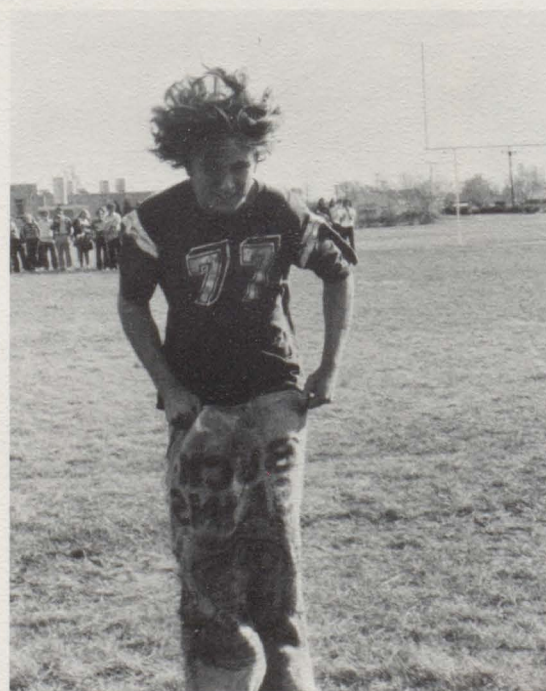

The Cross Country record was 6 and 3 for the season and they were fourth in the Chippewa Valley Invitational, ninth in the regionals and first in the S. C. A. L. League Meet. Letter winners with their third letter were Tom Gates, Glen Hillaker and Sam Allen. Second year lettermen were Mike Bldeis, Marty Ureel, Mike Richards and Mark Bodeis. The JV letter winners were Mike Grain, Pat Bonkoske, David Grain, Larry Strieter, Brian Langolf, Mike Recker, and Steve Swarts.

Spirit Week Bows to Seniors

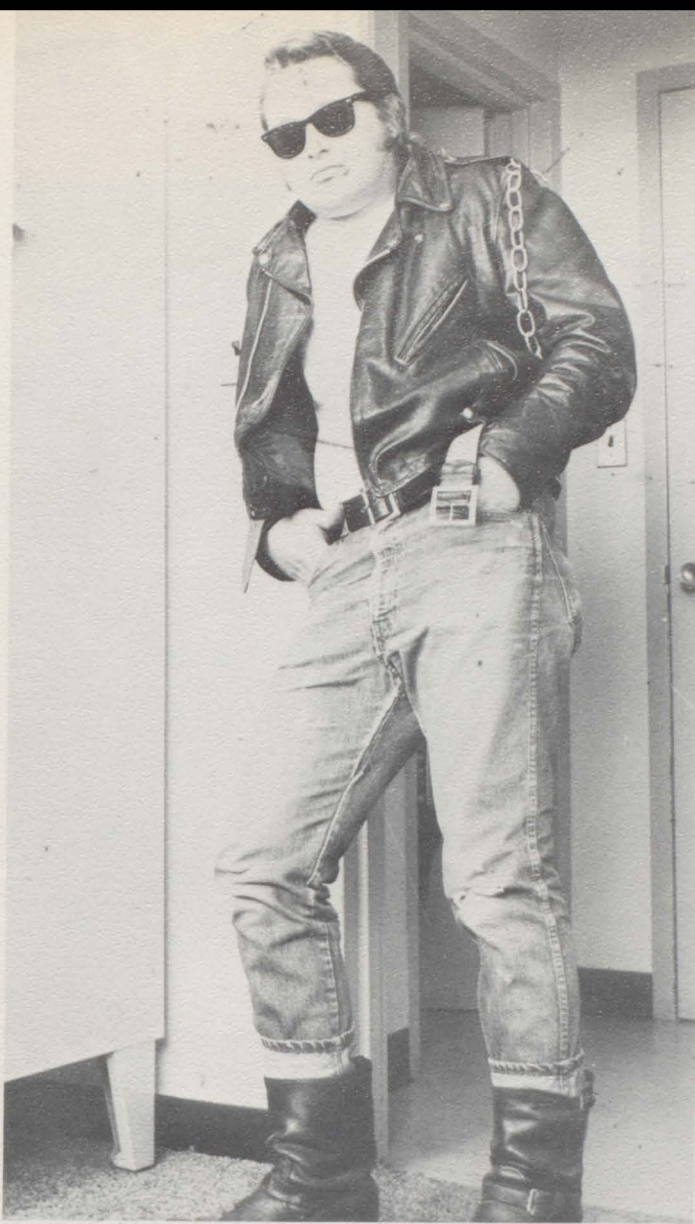

This year's class of '74" showed underclassmen the power of the mighty seniors in this year's Autumn Festival games. The seniors captured the many first place titles in the tricycle race, tug-of-war, and the egg toss. The juniors came up with a big second, sophomores next, and then the freshman. With the close of the day, tired, muddy bodies boarded the bus, patiently waiting to see who the 1974 Fall Festival Queen would be.

Spirit Week Activities Bring Famous Persons Back to Life

As the first tree of the season takes on a golden tone, students begin to look forward to Autumn Festival. The entire week before the game and dance is celebrated by a different activity each day. Impersonation Day and Greaser Day are two such days. On Impersonation day, characters like Tom Sawyer, Columbo, and Mickey Mouse appear in school. The following day, students return to the era of the fifties. On greaser day, students arrive in bobby socks, greased-back hair, and bulky V-necked sweaters. The days are enjoyed by all as students laugh at their silly attire and teachers grin because they remember it exactly as it was in their high school days.

OPPOSITE PAGE TOP: Students display their creativity with their costumes on Famous Person Day. OPPOSITE PAGE BOTTOM: Carolyn Wagner, Greg Tosch, and Debbie Ureel imitate the fifties on Greaser Day. TOP LEFT: Mr. Pagel participates in Spirit Week activities. CENTER: Connie Stein and John Kerr practice the jitterbug. TOP ROW: Queen Janet Lund; Diana Moore, Senior; Karin Proving, Senior; Pat Crison, Senior; Carol Conlan, Sophomore; Jan Almanza, Minority Rep.; Vickie Falk, Sophomore; Sheryl Simpson, Junior; Jackie Gram, Freshman; Molly Chandler, Freshman; Shawna Forman, Junior.

Janet Lund
1973 Homecoming Queen

Even though we lost our Homcoming game, the dance turned out very well. Five Hundred people attended (the most ever for Central) and Janet Lund was crowned Queen. Student Council sponsored the dance.

1st Semester student Council has planned many activities but the teachers have been the main obstacle. We can't get them to chaperone. 2nd Semester Student Council hopes to get many ideas and activities going with the help of the teachers.

Senior student council representatives are Ellen Scheffler, Julie Dinnen, Joey Johns, Bethanne Hayes, Debbie Bucholtz.

Freshman Student Council, LEFT TO RIGHT: Doug Richards, Pat Emlaw, Mark Beach, Mark Johnston, Anna White, Mary Haynes, Sue Wiegand, Mary Lou Creamer, Teresa Ott, and Barb Burns.

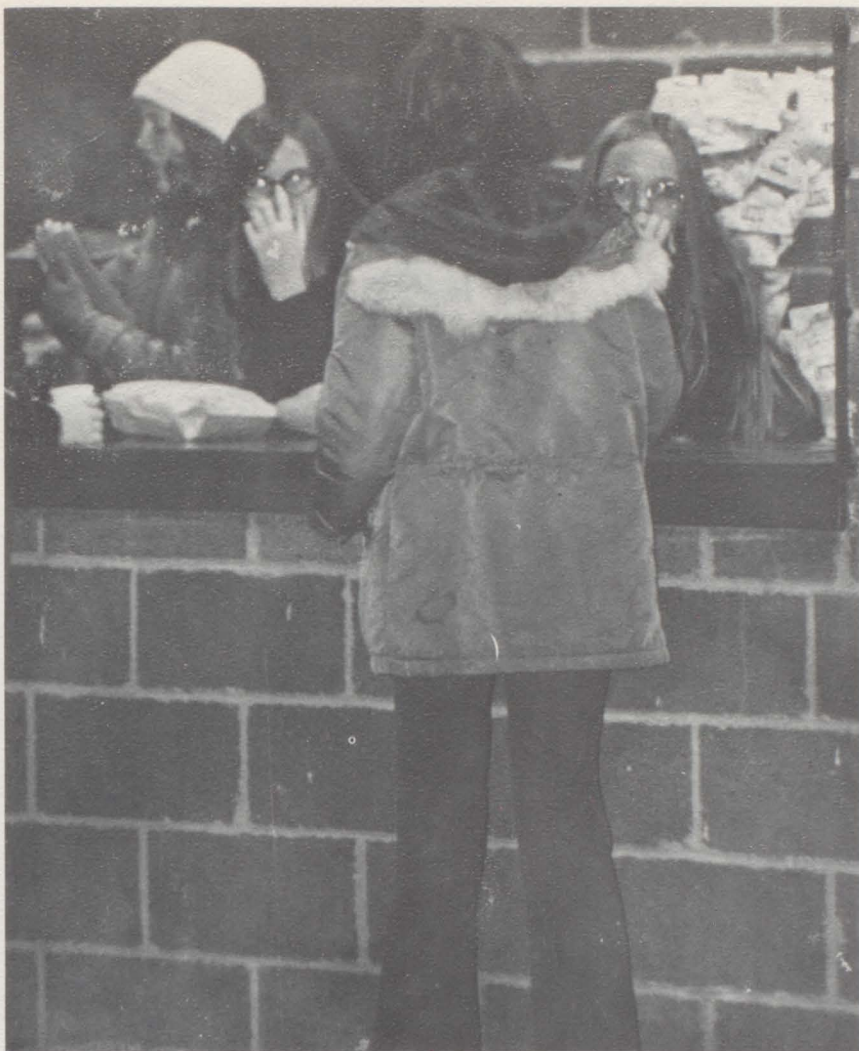

Sophomore Student Council, LEFT TO RIGHT: Pam Hardy, Wendy Angle Anglebrant, Karen Jacobson, Terri Maxfield, Cindy Lawrence, Bob Richmond, Michelle Kovach, Bonnie Torrey, Carol Conlan, Barb Howe, and Connie Stein.

Junior Student Council-LEFT TO RIGHT, FRONT ROW: Jennifer Jarvis, Carol Nalepa, Cindy Brotherton, Darlene Cini, Cathy Pat-
tinson, Sally Greene. BACK ROW: Ross Umphrees, Brian Mitchell, Rhonda Weiss, Sara Buckingham, Corkey Lawrence, Chris Falk, Ron Warner, and Sheryl Simpson.

Pep Club Builds School Spirit

The Pep Club is responsible for generating the cheers, yells, and overall enthusiasm known as school spirit. Lead by their sponsor, Mr. Goldsworthy, this club has been more active than all others this year. Beginning in the fall, the Pep Club sold refreshments to warm the stomach and cushions to warm the seat at all the home football games. As winter arrived the Pep Club sponsored sign painting contest and entertained the student body with their creation "Kovach the Blue-nosed Cougar". Throughout the entire year, the Pep Club was there, undaunted by any sign of apathy.

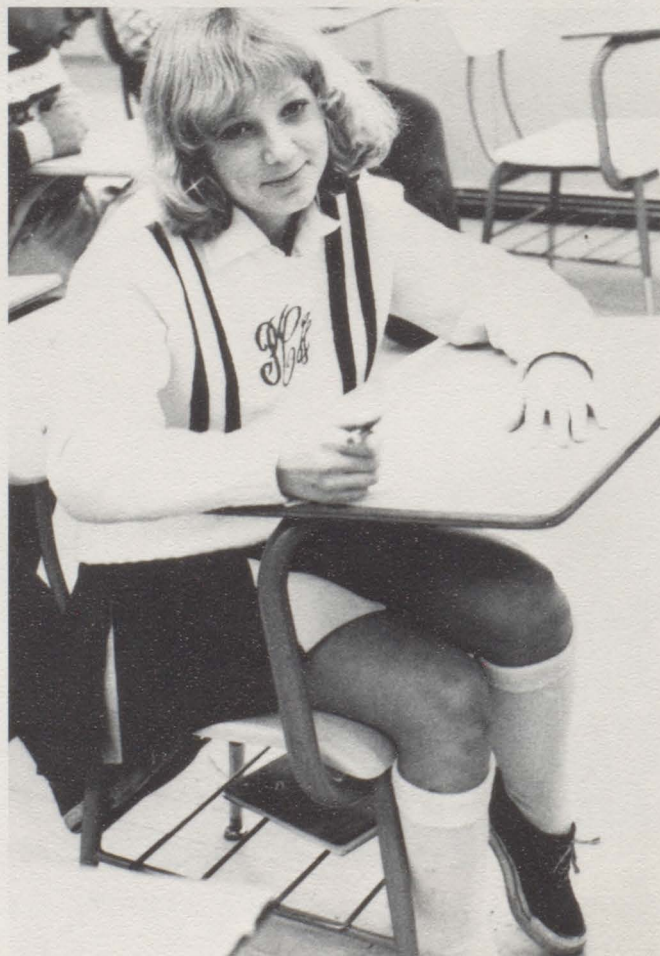

FIRST ROW: A. Warren, D. Orr, E. Scheffler, T. Wessel, C. Tosch. SECOND ROW: S. Warinski, D. Ureel, S. Wessel, B. Hayes, P. Bucholtz, D. Bucholtz, A. Falk. THIRD ROW: V. Weir, J. McCormick, A. Lewandowski, K. Clark, J. Kleinstiver, S. Negowski, M. Moser.

Varsity Cheerleaders: FRONT ROW: Diana Moore, Joy Gram, Bonnie Torrey. TOP ROW: Gail Gross, Cindy Kelly, Carol Nalepa, Patty Crison, Cheryl Simpson. On the opposite page, JV Cheerleaders are: BOTTOM ROW: Jackie Gram, Judy Clubb, Cindy Fuller. TOP ROW: Cheryl Cudlip, Koni Kilbourn, Sandy Nalepa.

There is a lot more to cheerleading than just showing up at the games and spurring the teams on to win. Both cheerleading squads practice at least twice a week. Last summer, the varsity cheerleaders attended a cheerleading camp at Eastern Michigan University for a week. Cheerleaders also sold knives and sponsored dances to earn money for their activities. Cheerleading is more than just glory. They work hard to represent the school.

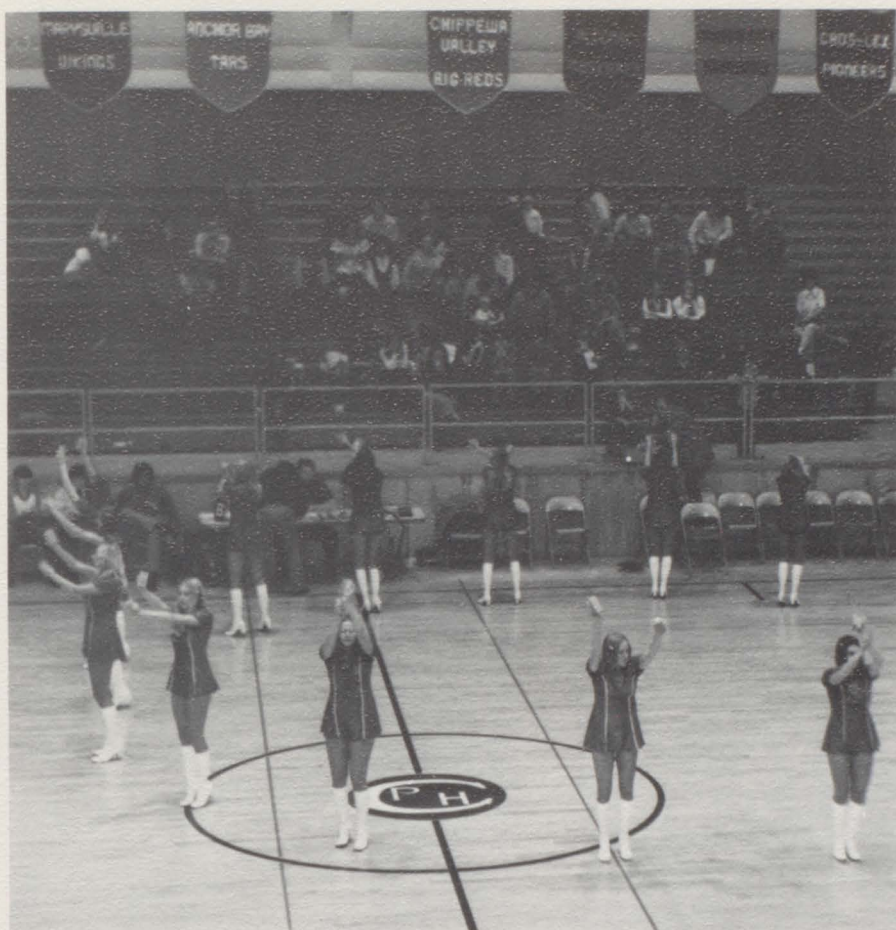

Cheerleaders Give a Boost to Central's School Spirit

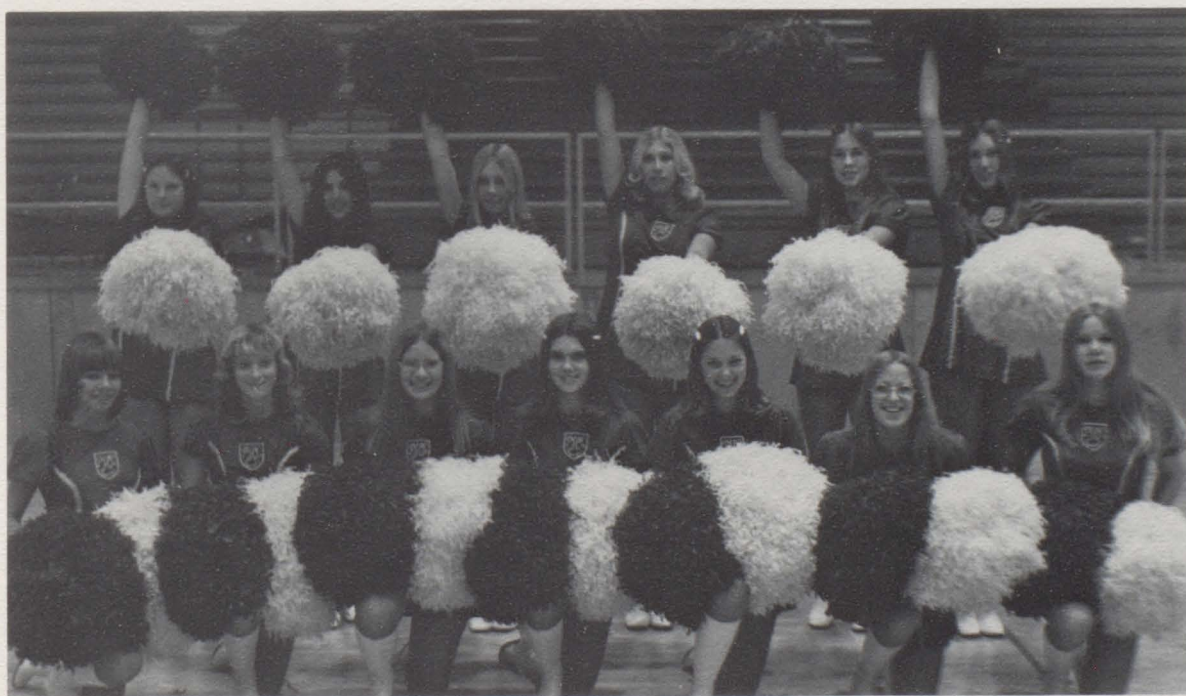

Royalettes Fall Into Line

This year the Royallettes performed at many of Central's activities. Along with the band, the thirteen Royallettes performed during football, basketball, assemblies, and lower grade schools. Keeping school spirit, setting good examples, and putting forth a great deal of effort are all qualities of each Royalette. Fund raising activities to go to camp during the summer keep all Royallettes busy the year around.

Varsity Breaks Three Records

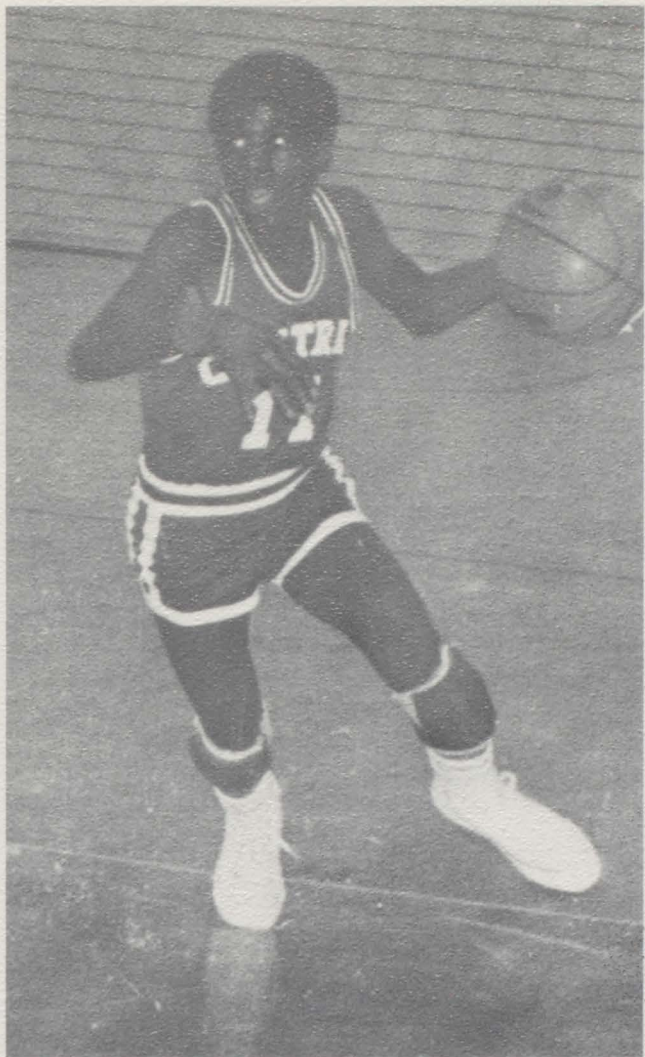

Though their 5-16 record may not show it, the Cougar Varsity Basketball team improved greatly over the previous season and set several new school records. Most games were much closer than the scores indicate. More than once the cougars left at half time points ahead only to lose their lead in the last minutes of play. Senior, Fred Radske, led the Cougars as the season's leading scorer, and the leading rebounder. He also set three school records with 283 points scored in one game, and 211 rebounds during the season. Another Senior, Randy Kovach, led in assists with 38 during the season. The season was highlighted by a highly disputed one point loss at the buzzer to Marine City.

Frosh Lay Up Good Record

The freshmen basketball team started slowly but progressed steadily throughout the season. The team kept the crowds on the edge of their seats with their 32-31 win over Port Huron Northern's blue team, their 49-47 win over Yale, their overtime win over Marysville in the last game of the season, and their 53-55 overtime loss to the league champions, Marine City. Joe Glombowski led the freshmen's attack scoring 317 points during the season. Joe also scored 26 points against Chippewa Valley claiming the honor of most points scored in a game. Mr. Repp served as coach for most of the season but was replaced by Mr. Koerber when Mr. Repp became the JV coach.

After a struggling season, P.H.C. placed 3rd in the League Meet. They also tied for 1st as Co-Champions with Anchor Bay and Chippewa Valley in the SCAL Meet. Frank Sutherland, at 105, took 6th place in the State Finals which were held in Kalamazoo. There was a very good chance of Sutherland taking a 2nd or 3rd place if it wasn't for a dislocated elbow, which made him default his last 3 matches.

J.V. Matmen Get Into Action

The pictures of the J. V. wrestler above and on the opposite page, show the extreme talent of our men. In the years to come they will advance to Varsity Wrestlers and really get to know what wrestling is about.

Winter Brings Fun for G.A.A.

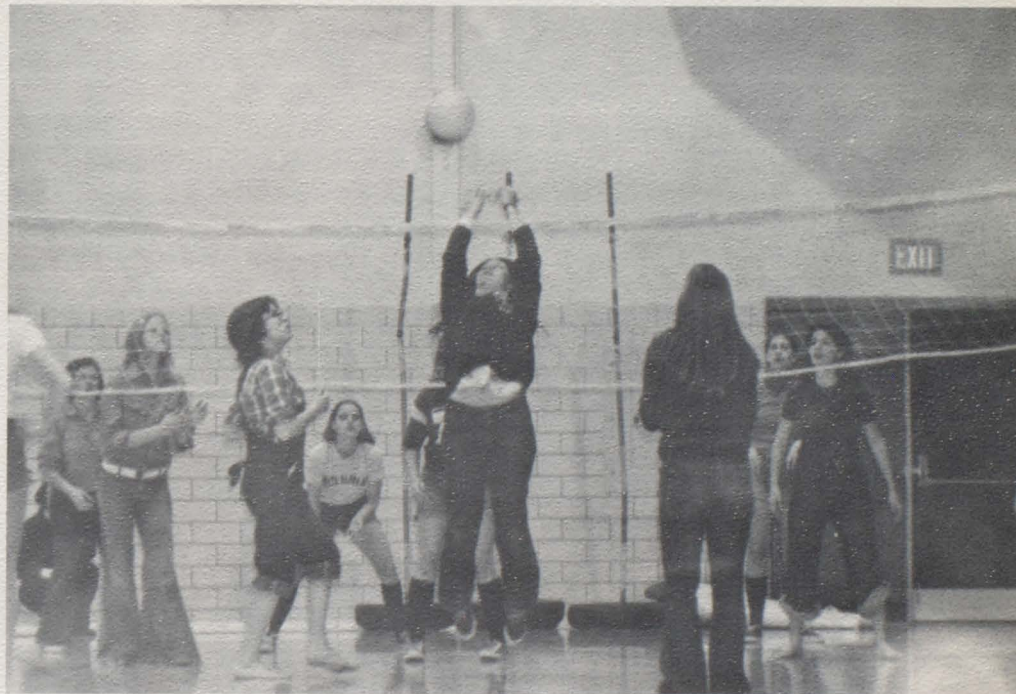

GAA is a chance and time for everyone involved to get together and just have a good time. In our G. A. A. they do just that. Volleyball, basketball, softball, and swimming are just some of their activities. They put on some dances after basketball games. They participated in several different tournaments. They meet on Monday and Thursday nights with MRS. Bristol there to help them.

Foreign Exchange Students Brighten P.H.C. Population

This year we had three foreign exchange students at our school. All have very distinct personalities and have brought with them the culture of their own country. They have helped to broaden Central's view of other countries. We have found out that they are all good students and they are all very warm and friendly.

Karen is from Germany and she had no language problem when she came here. She is a very good student and was a member of the queen's court. Charlotte is from Denmark. She speaks seven languages and is very easy to get along with and talk to. She thinks it is very nice here and likes our people a lot. Fernanda is from Brazil. She likes it here a lot and thinks that our school system is easy, but she likes the way it is run.

Honor's Band Plays On

McDonald's McDonald's

Richard Pettibone a former student from Central talks to Paul Lavalie Director of the McDonald's All American Band. Richard was in the NBC-TV Rose Ball Parade.

McDonalds Locations are 2509 Pine Grove and also 1125 24th St.

Honors band is a sixty two-piece performance group. It started off the year during the football season showing off their new uniforms. The marching band (honors band) performed at all home games. Other performances this year included concerts at area intermediate and elementary schools, a Christmas Cabaret, all pep rallies, all basketball games and the usual spring concerts.

The Cougar Band also sponsored an evening concert presented by the Augustana Concert Band of Augustana College, Rock Island Illinois. At this time plans are underway to perform at several schools in the northwestern part of Michigan sometime during the middle of May.

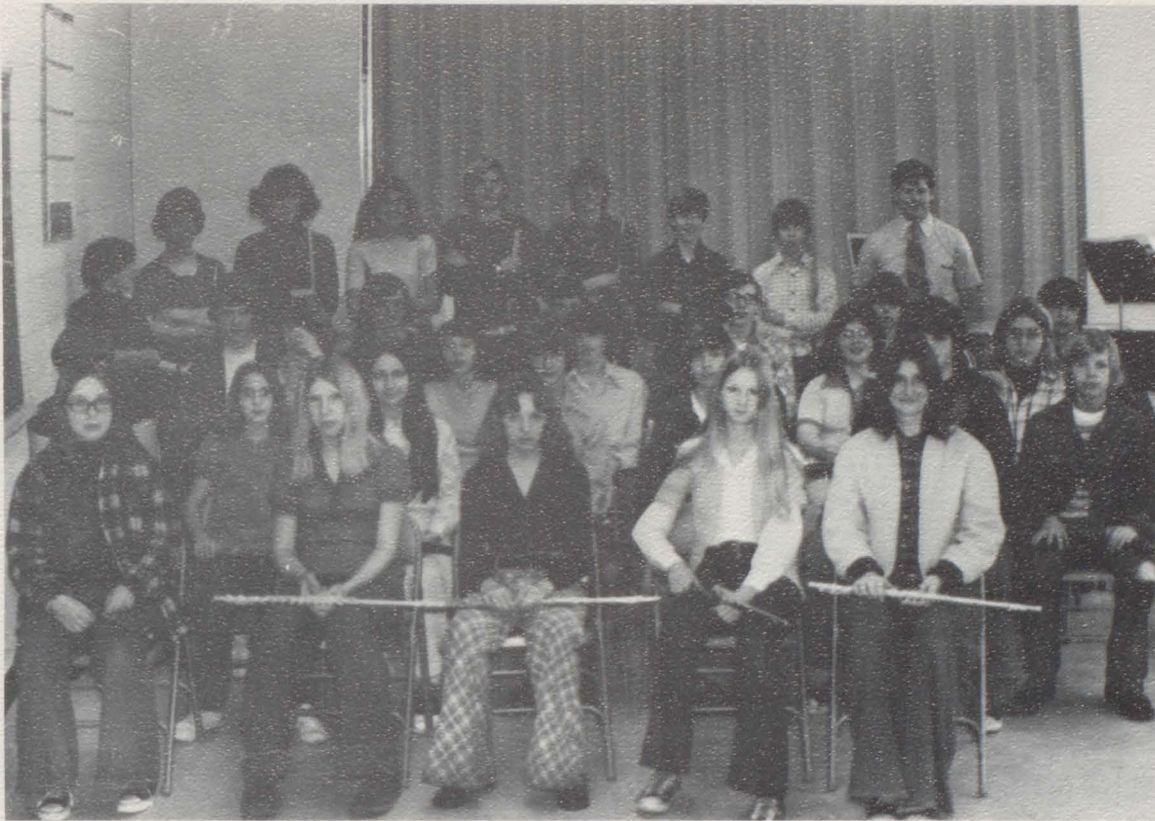

Jazz Band Jazzes It Up

Jazz Band is probably the best known band at Central. This group has performed with the Honors band and on its own. On March 22 the Jazz band participated in competition at the CMU Jazz Festival in Mt. Pleasant. Classes meet during the school day, but the group rehearses on Monday nights too.

Cadet Band Starts Out Smoothly

The Cadet Varsity band students in this band have been working hard to improve their skills in music. Performances this year included the Christmas Cabaret, a concert at Chippewa and the spring concert. These hard-working musicians and an important asset to the band program by helping to raise money and working on the Augustana project.

In Choir Classes, Practice Makes Perfect

This year the choir had many voices to help make it strong. At Christmas time the choir sang songs of goodwill and happy jingles. T. V. Eight, The Foggcutter, and McMorran Auditorium had the pleasure of listening to P.H.C.'s choirs. This year participating in State competition were Dan Perry, Rick Willard, Brian Lindsay, Beth Hayes, and Dora Smith. This spring the choir performed for P.H.C. and Chippewa in concerts and also went on tour.

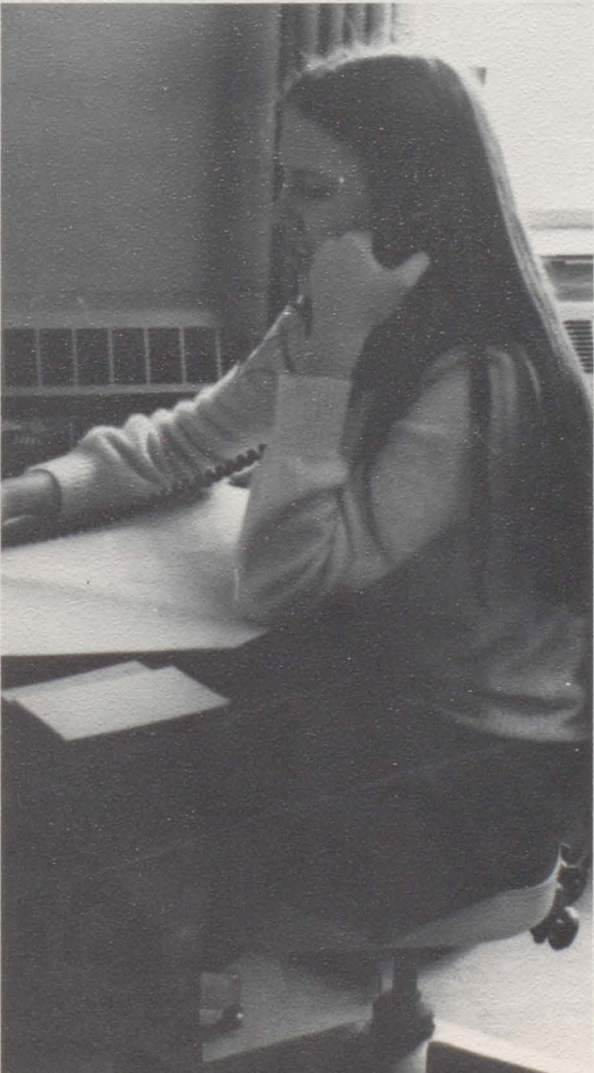

This year Central lost two of its students. Dennis Ashton was a member of the class of '74 and was on co-op working at Trudell Tires. Barb LaVere was a junior this year and had worked in the cafeteria since her freshman year on the work experience program. Though we have lost Barb and Dennis, their memories and friends will go on forever.

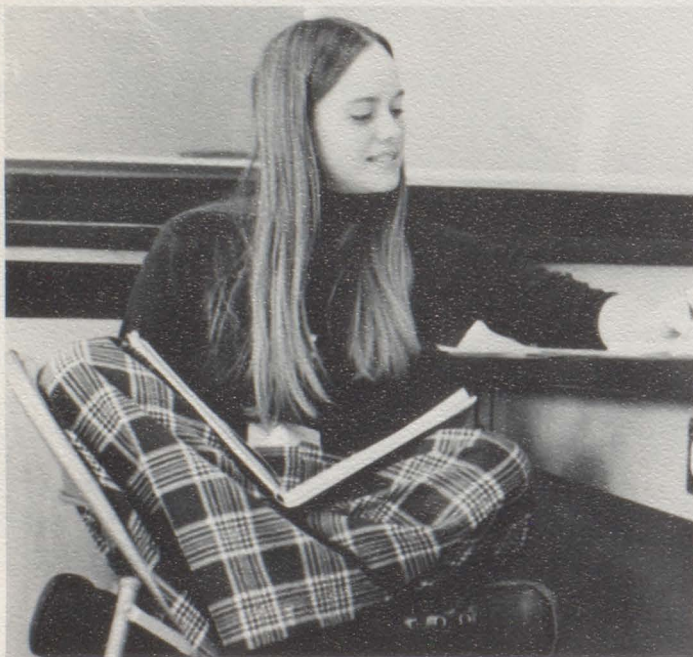

Co-op is an opportunity for students to learn what they want to do once they graduate. They learn to be responsible in the jobs they get and they learn what their boss will expect of them. Co-op students also learn that you always have to be on time, to do things without being told to, and one of the most important things is they learn the value of money.

Coop Students Slip Through Year

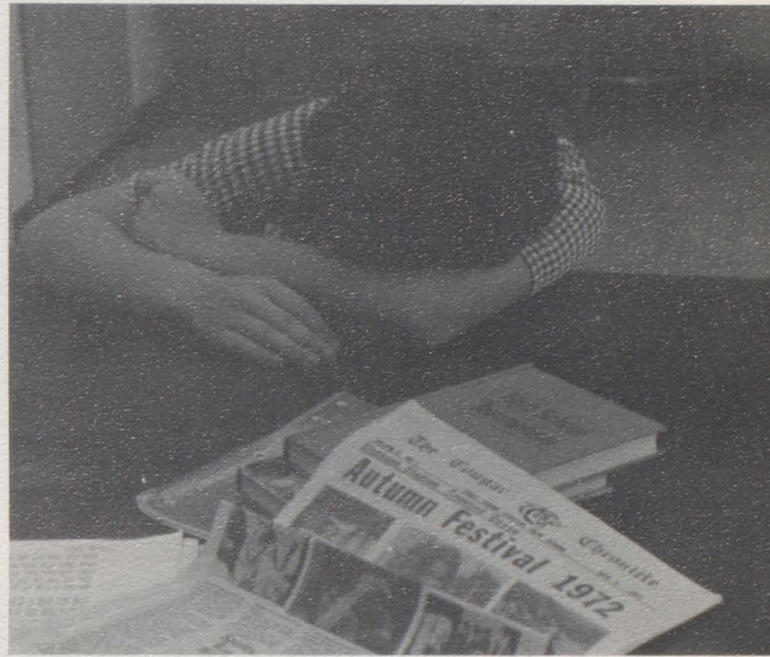

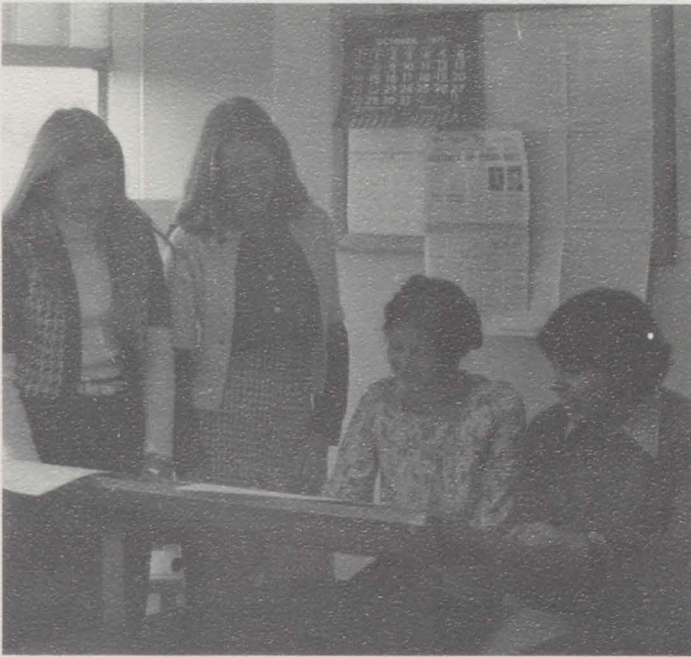

In the fall, the yearbook class met for the first time. The class consisted of five veterans and seven rookies. The odds for a better yearbook than the 1973 Centralian seemed small. Journalistic terms became a part of their everyday language. Long hours of work after school became a normal part of their school day. Guided by the editor, Debbie Edwards, eleven individuals became one, working toward a common goal. Their goal finally became a reality. It is with much pride and pleasure that the yearbook staff presents to you their reality, the 1974 Centralian.

Journalists Are in the Making

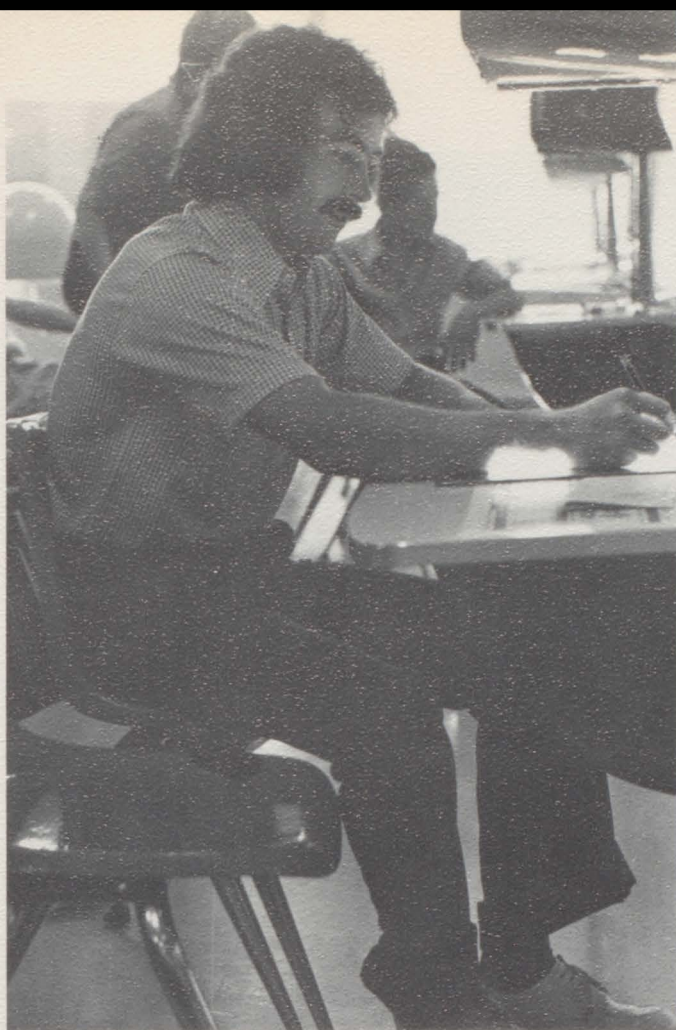

This year's Cougar Chronicle staff have proven themselves to be better than ever. After two years of hard work, the class was awarded second place International Quill and Scroll Award. Now into their third year, Miss Ballard and her staff of ten students are well on their way to establishing themselves in the area's journalism circles. The Cougar Chronicle is published monthly throughout the year.

Cougars Spring to Strike A Victory

Our varsity and Junior Varsity baseball team had a very good season. They ended it with hot enthusiasm. Some of their setbacks included starting out in the cold, and also they were rusty. Soon after the season opened they fought off the cold and oiled up their arms, to win 9 and lose 6 for the varsity and 11 and 1 for the Junior varsity.

The Cougar Track team has been one of the best teams in the state for the past two years. They have never lost a duel meet and were seventh in '72" and fourth in the state meet in 1973, while also winning the S.C.A.L. League Championship meet in 1973. The 1973 team broke the school record in every event except the 440 yd. dash. Robert J. Johnson has lead the Cougars in track while breaking the state record in the long jump. He jumped 23 feet 6 1/2 inches in '72" and then in '73" he jumped 23 feet 9 in. Rob was also selected to the All-State track team in both the long jump and quarter mile in 1972 and again in 1973. Coach Lowell Spiess has done an excellent job of training and placing the individual into the fourteen various events and forming a very strong team. The relay teams have been very exciting to watch and seldom if ever are defeated. The 880 Relay team won every race except the state finals, where they were fourth.

Karl Brown, Rick Laber, and Karen Richmond, received their second varsity letter. Winners of their first year letters are John Barry, Adrienne Eaton, Randy Fernandez, Kim Grattafori, Bob Langolf, Bill Livingston, Rob Richmond, and Mary Rynties.

Student Council Pulls for School Unity

Second semester student council has planned many activities for our student body. Among these were a Donkey basketball game, and they also entered a contest that was sponsored by CKW radio. The contestants are to save gum wrappers, the winner will have a free band attend their school. Student council is helping to unify Central.

Debaters Slide Into Action

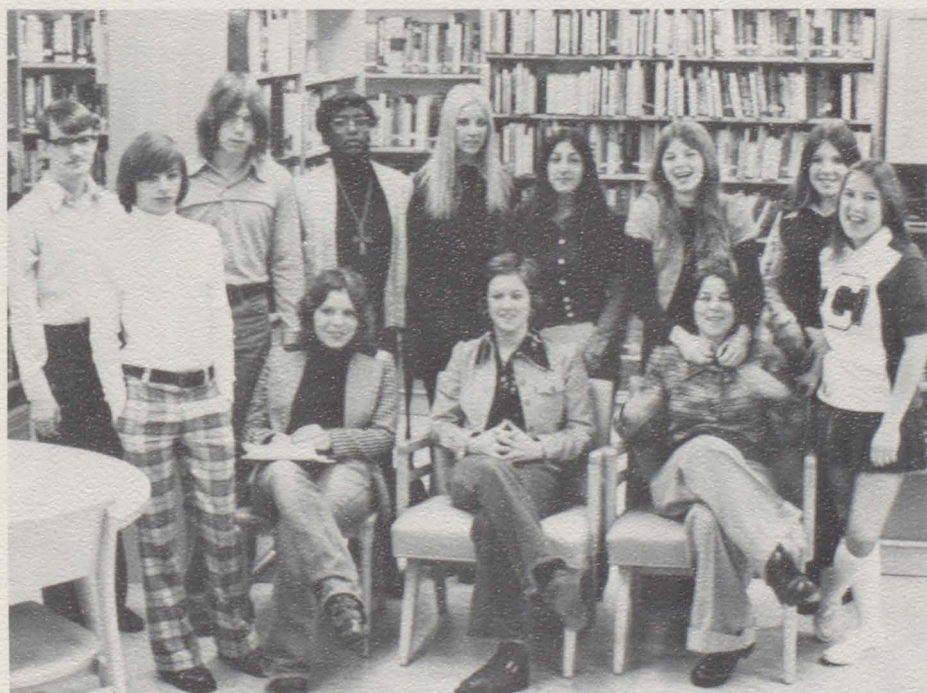

S. Whitsitt, M. Creamer, L. Jackson, M. Reynolds, K. Clark, M. Kovach, C. Lawrence, L. Haeck.

Despite the problem of the late starting date of school, the National Honor Society and the Debate team succeeded in having a successful season. It takes time to build up a good club. Although there were problems with sponsors and such things as that, N.H. S. and Debate still press on. With Miss Ballard as sponsor for Debate, the negative team won 14; lost 5, and the affirmative team won 10; lost 10. In the spring comes National Honor Society's most important activity, the induction of new members. To be in N.H. S., Seniors chosen must have maintained a 3 point average, and Juniors and Sophomores a 3.5 average.

Principals Guide P.H.C. Through a Long Cold Year

If you see two familiar faces walking through the halls, taking time to see what's happening at P.H.C., it's probably Mr. William D. Pierce, our principal, and his sidekick, Mr. James Goldsworthy. Mr. Pierce who is active in all of Central's activities is also active in such things as antique collecting and a member of a musician union and does a more than adequate job of running Central in a smooth manner. Mr. James Goldsworthy, assistant principal, is such a busy man. Listening to stories, writing blue slips, and suspending students seems to be his favorite past time. Together, these two men help make Central a better place to be.

Office Staff Lends a Helping Hand to All

This year's office staff added a new addition, Mrs. Jean McCloud. Together with Mrs. Donna Whitford and Mrs. Joyce Willard, the three make a perfect team to help run P. H. C. in a smooth manner. Writing blue slips, answering telephones, and typing all important memos keep them quite busy through Winter, Spring, Summer and Fall, but they are never too busy to help and get involved with student activities.

Fine Arts Harmonize Together

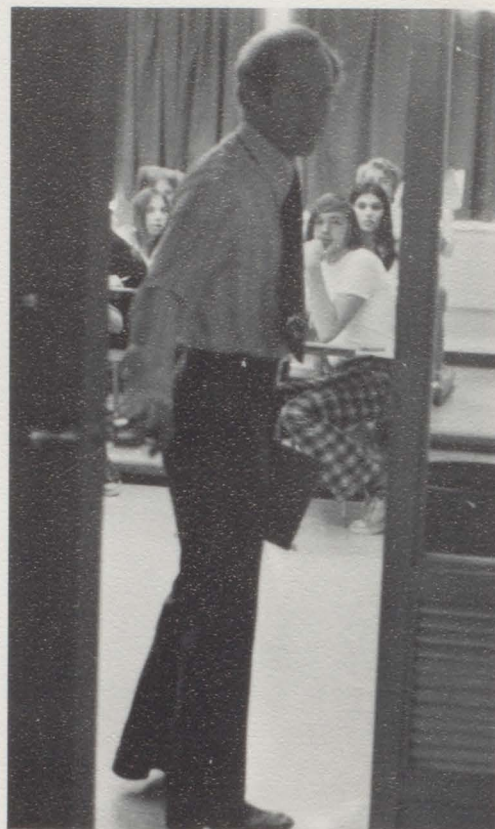

The Fine Arts Department includes diversified fields such as music, art, and foreign language as well as English. The English courses alone offer over 20 different choices to the student. Under the leadership of Mr. Hudson, the Fine Arts Department has been busy creating behavioral objectives in an effort to continually improve the quality of the courses. The Fine Arts Department is also the largest department in the school.

Math And Science Explore the Future.

The Math and Science Department is headed by Mr. Renner. The Math Department offers a variety of courses ranging from basic practical math to trigonometry. With the transition to the metric system becoming more possible every day, teachers are incorporating the slogan "Think Metric" into their classroom plans. The Science Department includes many aspects of the science world into their offerings. Chemistry, physical science, biology, earth science, and health science offer a wide choice of fields of study to the students.

Shop Teachers And Counselors Assist Kids.

BELOW-Mr. Evans always has that look-"What have you done now?" NEAR RIGHT-Mr. Pagel demonstrates safety precautions in shop. MIDDLE RIGHT-Miss Turbin is new to PHC and is fast becoming used to the problems of a counselor. RIGHT-Mr. Seaton works on engines during his spare time. RIGHT BELOW-There is always a "warm smile" and a helping hand in Mr. Dunbar's office.

Mr. Theodore
Mr. Gary Pagel
Mr. Larry Seaton
Miss Arlene Turbin

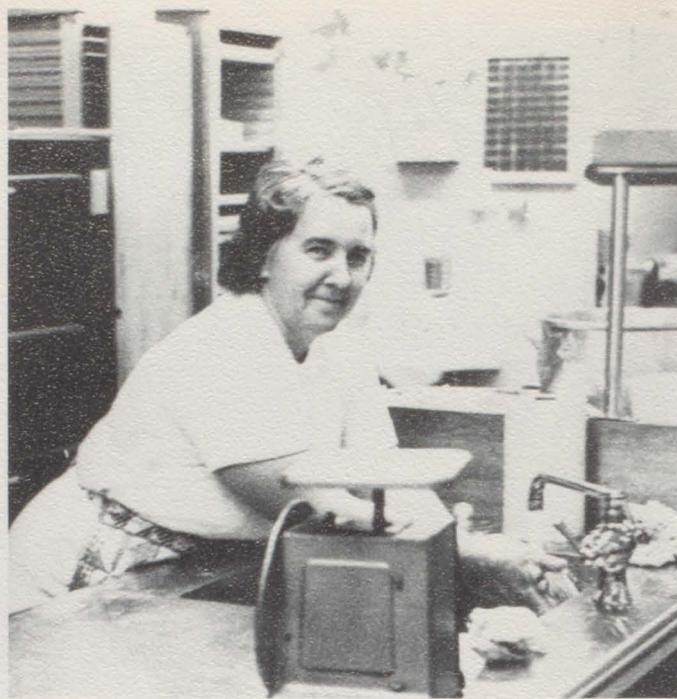

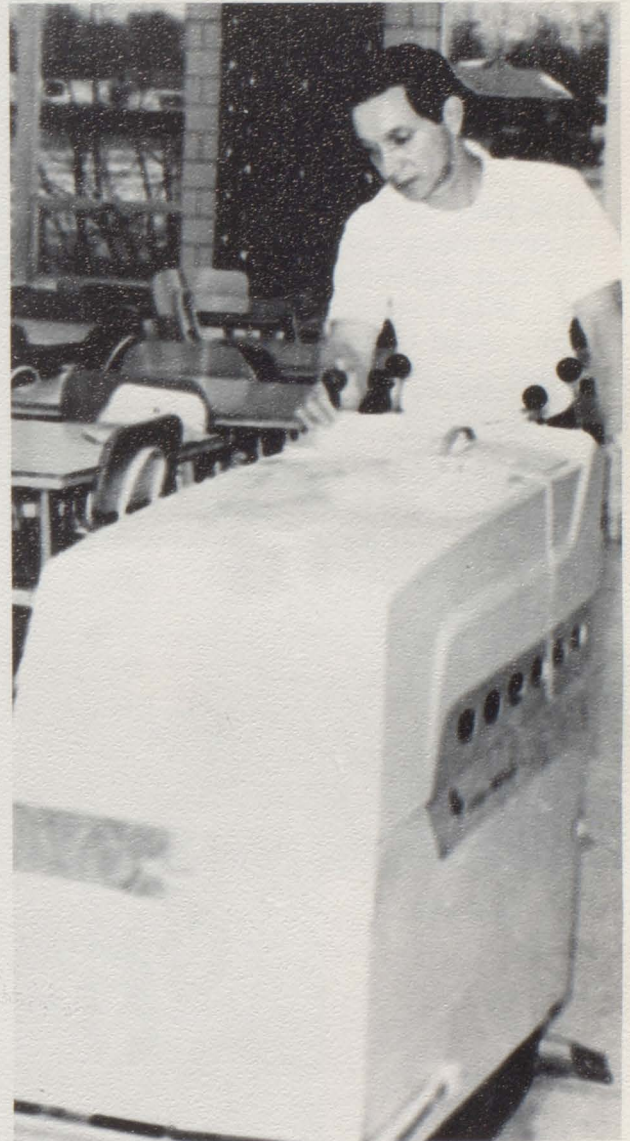

Although shop and counseling seem to be two totally different areas, they are related. Both provide services to the students and faculty. Through the efforts of Mr. Dunbar, Mr. Evans, and Ms. Turbin, students schedule classes, transfer grades and solve their problems during the school year. Shop instructors-Mr. Seaton, Mr. Currie, and Mr. Pagel, teach trades to students such as woodworking, mechanics, and drafting. All of the shop and counseling personnel aid in the working future if the students.

Cooks And Custodians Keep Central Going

This winter our custodians had a few extra things to do besides keeping the school clean. They had to keep the thermostats down to 68° and take care of the flag. The cooks kept on preparing warm foods for 8 other schools besides Central.

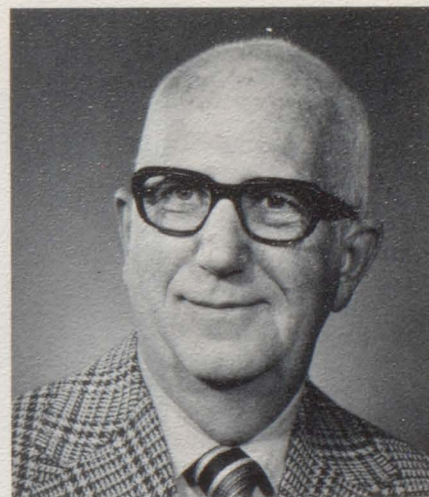

Board of Ed. Struggles Through Year

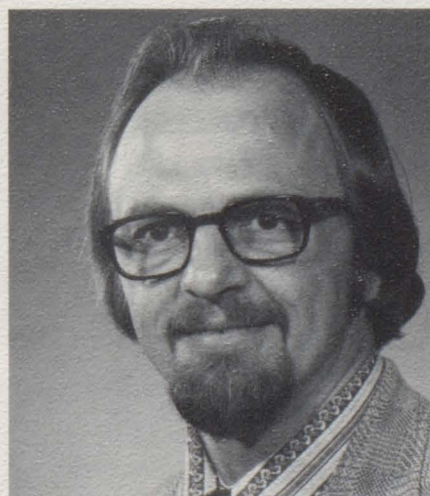

This year the Board of Education worked many hard hours trying to reach an agreement with teachers on a 1974 contract. Together with many usual duties and extra duties the board found many ways to save money and spend on extra needed things.

Dr. Robert W. Coulter, Superintendent of Schools, we congratulate on his third year. We also welcome new members of the Board of Education and give thanks to the old.

Congratulations!

Maybe all your high school diploma means to you right now is that you've finally made it through twelve long years.

But in time it's going to mean a whole lot more. It's going to mean that you'll earn approximately \$100,000.00 more. In your lifetime than you would have earned if you hadn't finished high school.

We wish you success and hope you'll be as wise in making future decisions as you were when you decided to finish high school.

A Time for Moods;
a Time for Change

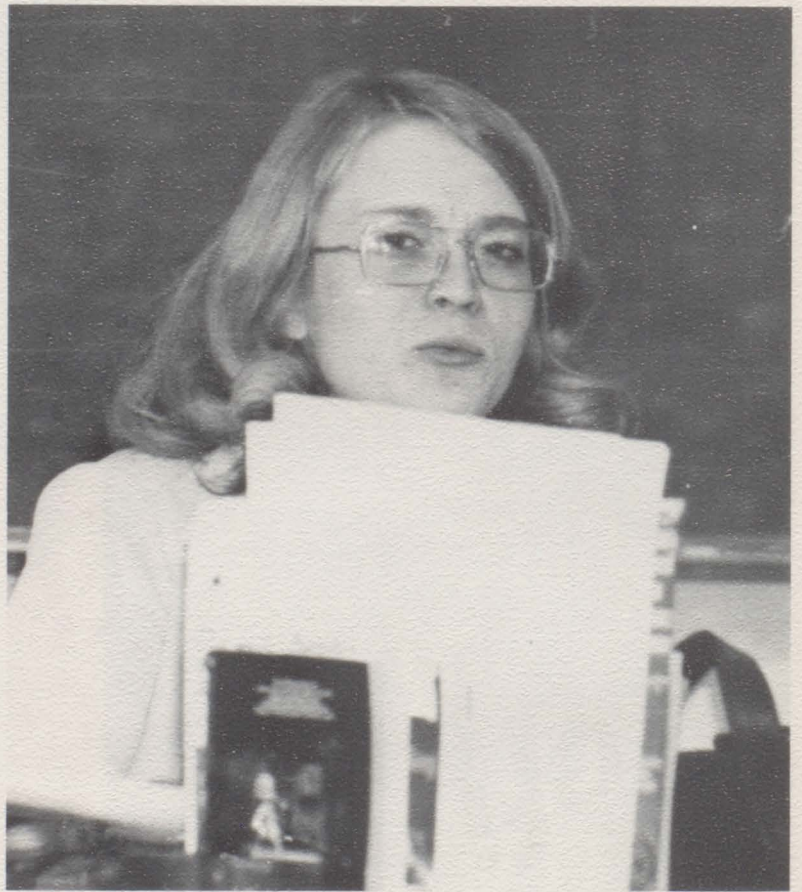

... People Change

Clothes, hair, jewelery, and
ideas are all a part of a person
and they do change.

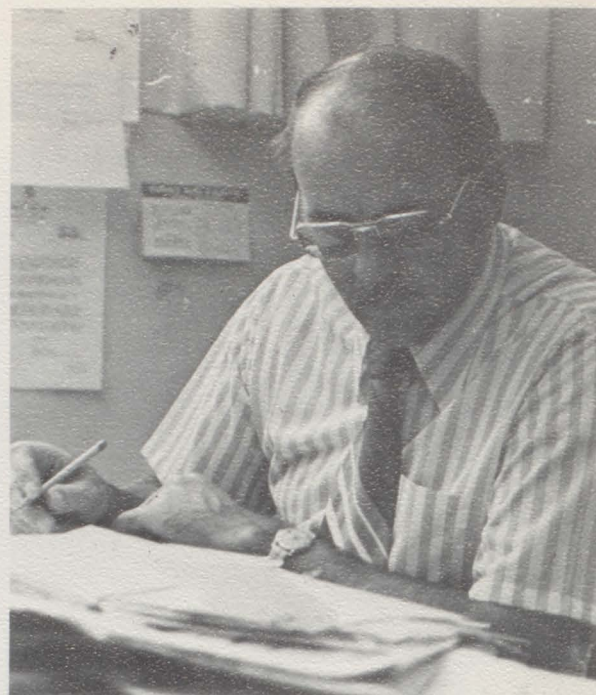

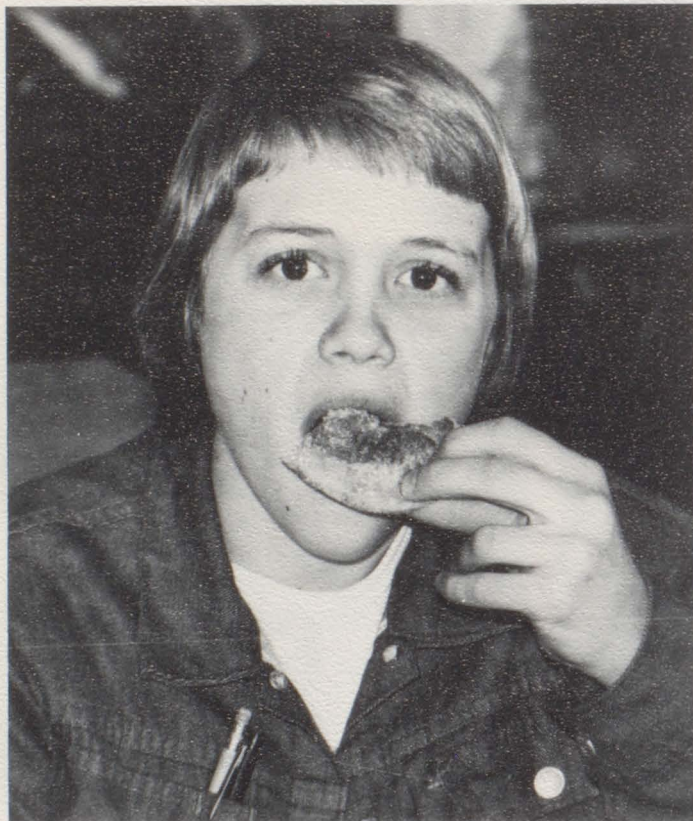

... Schools Change

Faculty, students, and sometimes buildings change, but they are all necessary in life.

... Ideas Change

Your feelings, outlooks, attitudes, and emotions are all a part of your opinion. Opinions change and mellow like summer to fall and mature as to winter.

Changing seasons are symbolic of a cycle. Fall, winter, spring, and summer is the cycle of a school year and we bring this cycle to an end.
